Office of the Chief Conservator of Forests, Chepauk, dated 13-11-25

16 NOV 25

To

H.Tireman Esq., C.I.E.,
Chief Conservator of Forests

Subject:- Allowance-Travelling allowance-Ordinary in lieu of fixed travelling allowance.

Letter from the Conservator of Forests, VI Circle Ref.No. A.2047/25-2 dated 7th October 1925:-

At the request of the Special Deputy Collector engaged on the Mysore, South Kanara Boundary Settlement, the District Forest Officer, North Mangalore deputed Madthis Souza, Forester, V Grade for work under the Deputy Collector vide copy of letter dated 22-1-25 from the Deputy Collector to the District Forest Officer, North Mangalore and of the latter's reply thereto. The Forester worked under the Deputy Collector from 8-1-1925 to 24-4-25.

2. The Forester has put in his claim for ordinary travelling allowance in lieu of fixed travelling allowance and the Deputy Collector has stated as follows in his letter forwarding the travelling allowance bill.

"His work was of a specially arduous nature. Everyday he had to go out for work at 8 A.M. and return at 6 P.M. His long working hours in the most jungly and difficult tracts deserve special consideration". The District Forest Officer supports the proposal and adds that the Forester was outside his jurisdiction during the whole period.

3. I recommend that the sanction of the Government may be obtained for the payment of a daily allowance of 12 annas per diem for the period 8-1-25 to 24-4-25 the period during which the forester was on special duty, in lieu of fixed travelling allowance at Rs.10 per mensem. A statement showing the movements of the forester during the period is enclosed.

Copy of letter C.No.80 M.S.B. dated 22nd January, 1925 from the Deputy Collector on special duty, Mysore South Kanara boundary settlement, to the District Forest Officer, Mangalore North.

Out of the servants belonging to South Kanara Forest

Department, Forester L.Rodrigues has been or will be with the present Boundary Commission throughout the whole length of the line. The Guards of the respective beats also know the line.I should consider that barring Rodrigues there should be at least one more Forester who should also know a good portion of the line. Forester Madthis Souza has been with me from Agumbe. From Agumbe we have settled about 10 miles and we have yet about 90 miles to lay out. I would therefore suggest that Madthis Souza may be ordered to work under me till the end of the season. I request that an early reply may be sent to me. I understand that Madthis Souza is conversanct with the line from Varahi river till Yedamala.

Copy of L.Dis.C.No.205/F.25-Cel dated 28-1-25 from the District Forest Officer, Mangalore North, to the Deputy Collector on special duty, Mysore South Kanara boundary.

I have no objection to lend the services of Forester Madthis Souza to you till the end of the season. I have issued orders accordingly to the Range Officer, Shankernaraina.

Reference

Submitted to the Government.

2. In the circumstances reported by the Deputy Collector on special duty I recommend that the forester may be granted daily allowance at 12 annas a day for the period from 8-1 -25 to 24-4-25.
